SECTION 214 APPLICATION OF HIGH SPEED PACKET TELECOM USA, LLC

Item 9. Does the applicant request streamlined processing pursuant to 47 CFR Section 63.12?

Yes, High Speed Packet Telecom USA, LLC (“HSP Telecom USA”) requests streamlined processing of its application for international facilities-based and resale authority under Section 214 of the Communications Act. HSP Telecom USA is eligible for streamlined processing because HSP Telecom is not affected by any of the disqualifying factors listed in Section 63.12(c) of the FCC’s rules, 47 CFR Sec. 63.12(c). HSP Telecom USA is not affiliated with a foreign carrier in a destination market. HSP Telecom USA has no affiliation with a dominant US carrier whose services it seeks authority to resell. HSP Telecom USA is not seeking to provide switched basic services via private lines to a country for which the FCC has not previously authorized the provision of such services.

Item 10. If applying for authority to provide switched services over private lines pursuant to Section 63.16, provide the required showing in Attachment 1.

At this time, HSP Telecom USA is not seeking to provide basic switched services over private lines connected to the public switched telephone network.

Item 11. If the applicant is a foreign carrier, or is affiliated (as defined in 47 CFR Section 63.09(e)) with a foreign carrier, provide in Attachment 1 the information and certifications required by Section 63.18(i) through (m).

HSP Telecom USA is not a foreign carrier. HSP Telecom USA notes that a telecommunications carrier incorporated in Luxembourg owns 25 percent of applicant (see Attachment 2), however that entity does not provide services in any destination market where HSP Telecom USA intends to provide services.

Item 12. Does applicant seek authority to provide service to any destination described in paragraphs (1) through (4) of Section 63.18(j)? If yes, list those destinations in Attachment 1 as a response to question 12.

HSP Telecom USA does not seek to provide service to any destination which meets the disqualifying factors contained in 47 CFR Section 63.18(j). Applicant is not a foreign carrier in any destination country where HSP Telecom USA seeks to provide service. HSP Telecom USA does not control a foreign carrier in any destination country. No entity that controls a foreign carrier in a destination market owns more than 25 percent of HSP Telecom USA or controls HSP Telecom USA. Foreign carriers do not own more than 25 percent, in the aggregate, of HSP Telecom USA.

Item 13. Does the applicant seek authority to provide service to any destination other than those listed in response to question 12 where it has an affiliation with a foreign carrier? If yes, list those destinations in Attachment 1 as a response to question 13.

No, HSP Telecom USA does not seek to provide service to any destination markets where it has an affiliation with a foreign carrier.

Item 15. In Attachment 1, respond to paragraphs (d), (e)(4) and (g) of Section 63.18.

(d) HSP Telecom USA has not previously received authorization from the FCC to provide international telecommunications services.

(e)(4) HSP Telecom USA is not seeking to provide facilities-based services under Section 63.18(e)(4) which would require the construction of facilities. Applicant is seeking to provide global facilities-based services pursuant to Section 63.18(e)(1) and is also seeking global authority to resell the international services of authorized US common carriers pursuant to Section 63.18(e)(2).

(g) HSP Telecom USA is not seeking authorization of facilities the acquisition or construction of which would require an environmental assessment under Sections 63.18(g) and 1.1311 of the Commission's rules.
